

THIS IS OUR SCHOOL!

It is a new building and its name is Dante Alighieri who is an Italian writer famous for the *Divine Comedy*

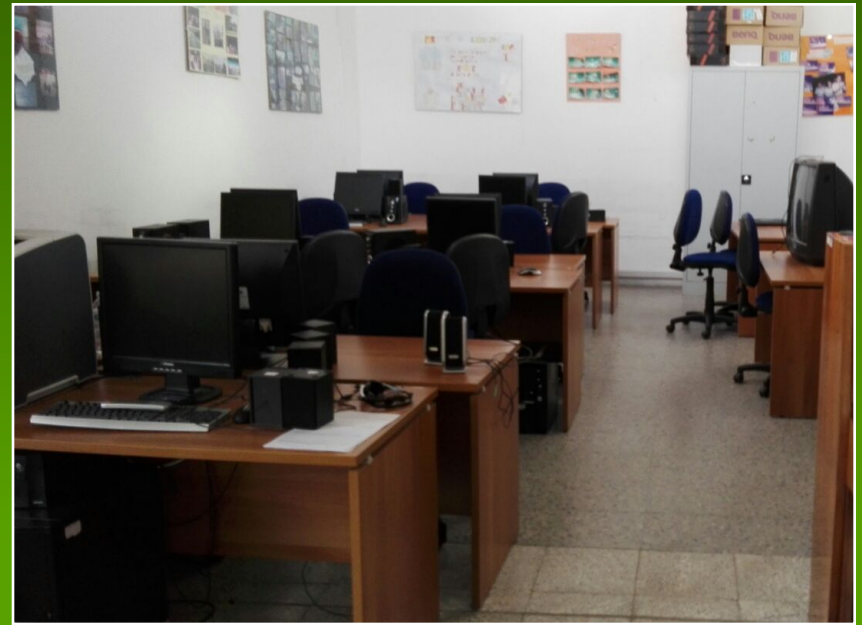

Outside our school there is a little volleyball pitch where we can go during our P.E. lessons

The school is located on one floor. Inside our school there is a big lobby and eleven classrooms. On the left there is 1B class of Secondary school and three Primary school classes with the bathrooms.

On the right there is 1C class, 2C class, the bar and 3C class; opposite the entrance there are all the other classrooms.

There is a very nice and big I.T.
Laboratory...

...and all the classrooms
contain an Interactive
Whiteboard!!!

Our classes are comfortable because we have all that we need: a traditional blackboard, desks, chairs, a Lim, large windows, maps...

These are our teachers!!!
